

Meet with Oracle and (partner) for an hour and lunch is on us! We'll bring gourmet sandwiches for you and your entire team!

Give us an hour and Oracle & (partner) will give you planning solutions for your business. We would like to discuss your needs and demonstrate how this technology can improve demand visibility and get the forecast right.

We will have one of our reps give you a call to see if we can set up a date that works for all parties.

WE'LL BRING THE TECHNOLOGY... YOU BRING THE APPETITE!

HELP FOR THE HUNGRY

Meet with us and Oracle will donate \$100 to City Harvest!

WHAT IS CITY HARVEST?

Millions of pounds of good food is thrown away every year by restaurants, businesses and other food establishments. City Harvest rescues this food and delivers it to New York's hungry by way of more than 600 community food programs.
