## EVERY DAY IN BUSINESS YOU FACE CHALLENGES

- Do your fund development efforts need improvement?
- Are membership and donor retention getting the attention they need?
- Are regulatory controls and fiscal transparency becoming bigger issues every day?
- Can your organization benefit from better employee retention?
- Will seeing into your operational information make your organization more effective?

If the answer to any of these is yes, meet with us today. Not only will you receive valuable information about streamlining your enterprise, you'll also help a good cause.

Set up a one-hour meeting with Oracle and BizTech and receive a RED iPod Nano. Ten dollars from the Nano's purchase price goes directly to the Global Fund for fighting HIV/AIDS in Africa.
